

## Week 4 Action Assignment

*Put the Entrepreneurial Method to Work*

### What Problems Can You Tackle in the World?

- ☐ Think about your bird in hand and your affordable loss.
- ☐ Consider what kinds of big problems you can actually tackle in your community and in the world.
- ☐ Can you take a series of actions?
- ☐ Can you find self-selected stakeholders who want to work with you?
- ☐ Can you listen to these stakeholders and be open to coming up with completely new things that you might never have imagined that you could do on your own?
- ☐ What things are within your control that you can do starting today to solve big problems in the world?
- ☐ Get going and take a shot at it!
